

Promissory Note/Acknowledgment of Tuition Payment Policy

Alice Blount Academy views registration as the student's official statement of intent to enroll. Therefore, once registered, the student is financially obligated for the payment of all applicable tuition and fees unless a Notice of Intent to Withdraw form is filed with the program's administrators.

A student's account will not be considered as settled unless the balance has been paid in full, or a payment plan has been arranged with the ABA Financial Department and a Promissory Note has been signed. Accounts must be settled by the due date listed on the bill.

All financial obligations to Alice Blount Academy must be settled in full before any requests for diploma, semester grade reports, or transcripts will be completed. Likewise, any student with an outstanding balance will not be permitted to register for the upcoming semester until payment arrangements have been made.

Students will be charged for collection agency fees and reasonable attorney's fees incurred in enforcing collection of any and all outstanding amounts owed to Alice Blount Academy. *All payments are non-refundable.*

Late Fees

Payments are due every thirty (30) days after the intake date. All payments that are not received by the due date will be assessed a late fee of \$100.
